No. 815.—

Extract from the Special Indian Army Order, dated the 15th September 1916.

All private individuals desiring to proceed to Manipal must obtain permits, both for themselves and for any servants accompanying them. These permits must be sent by the General Staff at the port of embarkation, and must be forwarded to the Embarkation Staff Officer who will inform the Embarkation Staff Officer at the port of disembarkation by telegram of all such movements.

1. Discretion as to the grant of the military visa is left to the local General Officer Commanding, and only doubtful cases should be referred to Army Headquarters.

2. Military officers, civil officials and others (including private servants) proceeding on duty, whether travelling by Government transport or otherwise, do not require permits.

3. But, except when proceeding on duty with a unit or draft, all the aforementioned, whether travelling by Government transport or otherwise, must obtain a "movement order" signed by the Officer Commanding their original station, of departure, or, in the case of arrivals from non-military stations by a responsible civil officer or officer arranging despatch. This "movement order" must be sent by the Embarkation Staff Officer at the port of embarkation before embarking, and again shown to the Embarkation Staff Officer at the port of disembarkation.

4. Anyone taking a servant or servants must order in his own "movement order" the name, father's name, village, tribal or police station, and district of each servant before the "movement order" is sent by the Embarkation Staff Officer.

5. Servants sent out to officers and others already in Manipal must be provided by the despatching officer or official with a pass showing his name, father's name, village, tribal or police station, district and the name of the officer, individual or unit to which he is proceeding. This pass must be sent by the Embarkation Staff Officer before embarking, and shown to the Embarkation Staff Officer at the port of disembarkation.

6. Followers or laborers, except those to whom a "movement order" is issued, when proceeding under orders individually, must be provided with passes as above by the officer or official arranging their despatch. When travelling in batches they must be accompanied by a roll giving the above information. These passes or rolls must be sent by the Embarkation Staff Officer and checked by the Disembarkation Staff Officer, as above.
